

## Color Wheel

**The Color Wheel shows the relationships between the colors. The secondary color are a mixture of two primary colors. The six tertiary colors are a mixture of a primary color with an adjacent secondary color.**

**Print this color wheel out. Ask your students to label the primary, secondary, and tertiary colors.**

**3 primary colors (red, yellow, and blue), three secondary colors (green, orange, and violet), and six tertiary colors (red-orange, red-violet, yellow-green, yellow-orange, blue-green and blue-violet).**
